Bowbunk Face Lift For 2010

As you can see the Bowbunk has a new look for 2010. Let us know what you think of the new look

Work Hours

New members & prior members do not forget to fill out a slip recording your work hours. When ever you work an event, it is best to fill out a work slip immediately at the conclusion of your work. Have the event chairpersons or a member of the board sign the slip and deposit the white copy in the work hour box.

RMB 2010 Membership Drive – We need your help!

2010 is going to be an exciting year at RMB. RMB is running a membership drive for 2010 and RMB needs your help to promote the club. We have expanded on our benefits for getting new members in the club. As an RMB member bringing in new members you receive the following rewards;

1st new member – 2 work hour credits

RMB 2010 Membership Drive – We need your help! (Continued)

2nd new members – 2 more work hour credits and a RMB window logo for your truck.

3rd new member – 2 more work hour credits and a long sleeve RMB t-shirt.

Also anyone joining RMB in 2010 will receive as part of their membership a very classy RMB membership hat. One hat per family membership is given with a paid membership. Additional hats can only be purchased by RMB members at a cost of \$10.00 per hat.

RMB would like to ask that you wear any RMB wear to any archery events you go to. We are trying to get our name out in the community. Places you could be wearing your RMB wear is any archery shoots you go to. Who knows, if you are seen at an archery event wearing RMB clothing/hats you may be confronted by an RMB representative with a free drink ticket. Who knows it could happen.

Frank Copenhaver is selling yet another membership.

RMB Web Site

How many of you know RMB has a web site? Check it out!

Trophy Board

Did you shoot a trophy during the archery season? If so bring in a copy of your trophy photo and we will get it posted in the clubhouse on our trophy board. Get it to one of the league/shoot chairmen and they will make sure it gets posted. This past year it was pretty bare... Let's see if we can get it filled this year.

2010 Badger State Winter Games

2010 BSG is right around the corner. On January 29 -31st RMB is again hosting the archery portion of the Winter Badger State Games. Two reasons this is in our Bowbunk.

1st – RMB needs your help running this event. This is one of our largest events RMB hosts and we need your help. Please sign up in the clubhouse so we know how much help we are going to have. A signup sheet is in the Club house right now.

2010 Badger State Winter Games (continued)

If you see that there is a spot taken that you wanted sign up anyway. We can still use your help.

Current registration numbers is showing us that we are going to have more archers then we had last year. If RMB ever needed help with BSG, this is the year.

2nd - Registration is open right now for you to signup and shoot the 2010 BSG. There is a bracket for all experience levels and age groups including youth.

To signup go to <http://www.sportsinwisconsin.com/bsgwin/IndoorArchery>

Shoot Chairmen Needed

We are seeking two people to co-chair the April 17-18, 2010 Outdoor 3D Shoot.

We have people that will set the 3D targets for the shoot. What we need are people to manage the club house on Saturday and Sunday. This would involve registration, food, and bartending. We have people who will also assist you in these activities. If you are interested in helping out the club that weekend, or have any questions, please contact Mike @ 370-7780, or email at mschueller@charter.net

Chairs Needed

The RMB is looking for Chairs. With the growth of annual Raffle Party we are in need of some chairs. If your company or organization has stackable or folding chairs that it would donate or sell at a reasonable price contact Mike @ 370-7780 or mschueller@charter.net.

Bartender Needed

The club is in need of a bartender on Wednesday night. There are also opportunities to bartend at some of our weekend events. To bartend you need to have a bartenders license for the Town of Maine. NTC offers a bartenders certification class online, or as an evening class. If you take the class to become a licensed bartender for the RMB club, the club will pay for the class. If you are interested or would like more information, contact Mike @ 370-7780 or mschueller@charter.net.

Tuesday cleanup

There is also a need for a person to help out RMB by cleaning the club house on Tuesdays. Our leagues have grown to the point where there just is not enough time to clean after the league night. What is involved is simply vacuuming and wiping down the tables. The leagues will still be responsible for picking up after themselves. I would expect the cleanup on Tuesdays would not take longer than 1 hour.

Youth Archery Program

RMB is again offering for area youth a free archery program. It is starting on Saturday January 23rd and will run for five weeks. See our 2010 calendar for the other dates. Our youth archery program is open to the general public as well as RMB members. Anyone participating can bring friends. We will not turn anyone away. The program is very loosely run, meaning if you can't make it one of the dates that's fine. This year we have a few items to give away to the youth and these items will be given away as rewards. RMB has several bows for the youth to use, mostly compounds style bows. We have added to our inventory of youth bows. Of course bringing your own equipment is fine if you have it.

If anyone knows of any quality youth traditional equipment available please contact

Dennis Wendt at 715-573-7240.

Want To Get More Involved With RMB

Talk to a board member to see what we are working on.

We all know that it takes all of us to make RMB a go. If you have any specialized talents that you think would be beneficial to RMB and you want to get in some of your work hours. Talk to one of our board members, we are always working on different projects around the facility.

RMB has work parties several times a year. A work party is when we get a bunch of members together and we have a ton of fun doing some of the not so fun projects.

Rib Mountain Bowmen - Bowbunk Traditional Indoor out door 3D shoot

On January 16th, RMB hosted our first shoot of the year for 2010. We had a great turn out of Traditional shooters. Thanks to the shoot chairpersons Dale Klug and Tom Colstad and many others for making this a very successful event.

If you missed it, WAOW TV 9 ran a short story on the event. There is a link on the WAOW web site.
